Sphinx knowledge base generator [lmtool.3]

Your request for a Sphinx knowledge base appears to have been successfully processed!

The base name for this set is **9413**. TAR9413.tgz is the compressed version.
Note that this set of files is internally consistent and is best used together.

IMPORTANT: Please download these files as soon as possible; they will be deleted in approximately a half hour.

```
SESSION 1394714668_01371
[_INFO_] Found corpus: 23 sentences, 26 unique words
[_INFO_] Found 0 words in extras  (0)
[_INFO_] Language model completed  (0)
[_INFO_] Pronounce completed  (0)
[_STAT_] Elapsed time: 0.008 sec
```

Please include these messages in bug reports.

Name	Size	Description
9413.dic	454	*Pronunciation Dictionary*
9413.lm	2.9K	*Language Model*
